

**-THURSDAY, SEPT 15<sup>TH</sup>, 2015 – 7:00-9:00PM**

## **ALL ABOUT TEXTURE**

By: Chris Pawlik      Cost: \$25      Min/Max-1/12      Level: ALL

Class Description: : This class will discuss how to add different textures to your gourd designs by using common things you may have in your home. Students will learn options for creating different textures creating a texture sampler gourd plate for reference for future projects.

Instructor provides all supplies needed for the class.

Supplies Students must bring: Apron, Safety Glasses, Heat Gun to aid in the drying process, disposable gloves (I will have vinyl ones however if you have allergies, please bring your own)

## **HOW TO TURN A WOOD SLAB, CANDLEHOLDER OR OTHER OBJECT INTO A BASE FOR A GOURD LAMP**

By: LEAH REED      Cost: FREE - DEMO      Min/Max-1/12      Level: ALL

Class Description: In this demo you will walk through turning a gourd slab, or other item into a base for a gourd lamp. A demonstration on how easy it is to this this when you have all the right supplies.

Supplies Students must bring: Note pad and pen as there are no handouts.
